2. Flexibility

We understand that everyone has their own unique needs and tastes. So we have designed the Javita Car Bonus program to give you maximum flexibility to own the car that best meets your lifestyle and dreams.

Looking to go sporty? How about a Corvette, Camaro or Mustang? A sedan? How about a Cadillac CTS? Need an SUV? What about a Tahoe, Explorer or Escalade? Thinking truck? Think F-150 or Avalanche. Want a family car? Check out a mini-van, hybrid or electric! The Javita Car Bonus provides our Members with the flexibility to select any vehicle by General Motors, Ford or Chrysler.

3. Supports America

The Javita Car Bonus is helping you live your dream. But in these challenging economic times, we need to support America in every way we can. So we have limited our Car Bonus Program to American companies with cars built by American workers.

Get off the sidelines and into the fast lane with your Dream Car and Javita!

Javita's Car Bonus Program is only open to Members who reside in the U.S. and Canada. Members outside the U.S. and Canada who qualify for this program will receive the monthly cash bonus option. Login to your Javita Account for complete Car Bonus Program terms and conditions.
